LIFE FREE OF VIOLENCE

frauenberatung-noe.at

Violence doesn't start with the first strike!

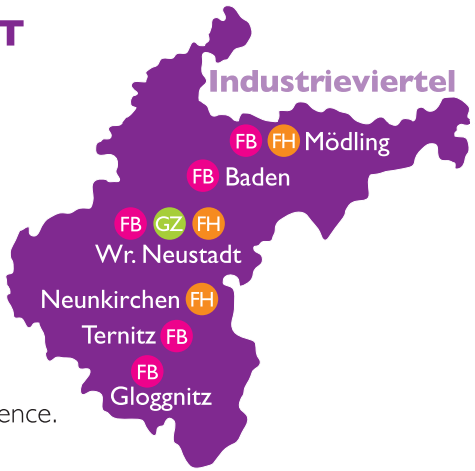

Violence is ...

- being humiliated, devalued or insulted
 - being pushed, tied or locked up
- being controlled, chased or threatened
 - having to justify every action
 - having to beg for every euro
 - being forced to have sex

... when you are afraid

YOU ARE NOT ALONE!

FB Women and Girls counselling centres,
FH Women's shelters
GZ and Centers for protection against violence support you on your path to a life free of violence.

women-specific - competent - confidential - free

We offer information, personal and legal counselling, accompaniment to police stations and to court and secure housing.
